

# WE PRAISE YOU ETERNAL, OUR GREAT GOD

Psalm 103  
Special Lyrics

Dwight Armstrong

1

1. We praise you E - ter - nal, our great God, ho - ly, sa - cred, sov - ereign One!  
2. We praise you E - ter - nal, our great God, Let the heav - ens praise your name!  
3. We praise you E - ter - nal, our great God, Let the an - gels praise your name!  
4. We praise you E - ter - nal, our great God, For your love al - ways en - dures!

5

Oh for - get not all your ben - e - fits to those who fear your name.  
For your mer - cy is as high a - bove as heav'n a - bove the earth.  
For in heav - en you have fixed your throne and there you rule the earth.  
And your loy - al - ty is to your sons who keep all your com - mands.

9

You for - give all our in - iq - ui - ties; Our dis - eas - es you will heal;  
Not ac - cord - ing to our man - y sins have you Lord so dealt with us;  
The E - ter - nal vin - di - cates the cause of all those who have been wronged;  
As for man, he blos soms like a flow'r, and his days are like the grass;

13

From de - struc - tion you re - deem our life, and you crown us with your love!  
For as far as east is from the west you re - move from us our sins!  
For your mer - cy is as high a - bove as the heav'ns a - bove the earth!  
But from death you Lord re - deem our life, and you crown us with your love!
